

NIKE THE PIG: BOOK 1

PAGE 1

DRAW THE BACK OF CTHYLLA AS SHE'S WAITING FOR CTHULHU AS HE COMES OUT OF THE PORTAL LEAVING SQUILYA, THE SPACE PENGUINS, AND THE BIPEDALS

Cthylla: You squander your mind whispering wisdom to worms now?

Cthulhu: Says the creature that plays with their food.

Cythylla: What I indulged in was amusement. The tampering with the code of flesh itself is a solar system of a different sun.

Cthulhu: Nolem has been using his shadow entities to meddle with creatures in other universes. I shall ordain that his current prey not shatter so feebly. Each imbued with traits with the potential to defy their doom.

Cythylla: What's this one's name?

PANEL 2

DRAW A VERSION OF NIKE THE PIG THAT IS ABSOLUTELY STONED OUT OF HIS MIND. WEED PARAPHERNALIA EVERYWHERE, SNACKS FOR MUCNHIES, AND A BIG BA OF SHROOMS ON THE TABLE. ALSO A CHARLES HOSKINSON POSTER ON THE WALL

DRAW NIKE ON THE COUCH, ON HIS BACK, TOES UP TALKING TO HIMSELF

Stoner Nike: Yes, Cthulhu, I hear your message...

PANEL 3

DRAW NIKE FALLING OFF THE COUCH AND HIM REACHING HIS FRONT LEDT FOOT OUT LIKE HES TRYING TO USE THE FORCE

Stoner Nike: AH! GOTTA CALL FOR HELP. Ah, Okay. Back from traveling the cosmos. Don't have telekinesis here.

PANEL 4

DRAW NIKE GETTING UP FROM THE FLOOR AND TALK TO THE ROOM

Stoner Nike: CHARLES! CALLED PICO THE ROOSTER!

Computer voice: Core Harmonized Array for Real-time Linguistic Exchange Signaling calling Pico the Rooster.

Stoner Nike: I've really gotta change that so where the room doesn't say it's name every time it calls someone.

PANEL 5

DRAW A HEN THAT LOOKS LIKE A RECEPTIONIST WALKING INTO AN OFFICE THAT LOOKS EXPENSIVE. ALSO DRAW THE ROOSTER WITH THE SAME HEADSET THE HEN HAS

Charm: Mr. Pico.

Pico: What's up, Charm?

Charm: I know you said no calls, but it's Nike, and I remember you once said to always put his calls through.

Pico: Absolutely. Guy's a little out there but 1 out of every 100 thoughts he has is an idea that's gold!

Charm: I'll patch him through.

PAGE 2

DRAW PICO TALKING WITH STONER PIG VIA HEADSET

Pico: This is Pico.

Stoner Nike: Buck Cluck, this is Bacon grease. I repeat this is Bacon grease. How copy?

Pico: We've been out of the military for almost a decade, maybe we should cool it with the call signs.

Stoner Nike: You didn't answer your phone, I needed to make sure it was you!

PANEL 2

DRAW

PICO FACEPALMING BUT STILL TALKING

Pico: Yeah, Nike. It's me. Anyway, what can I do for ya?

Stoner Nike: You know the President, right?

Pico: I know a guy that knows the president.

Stoner Nike: Okay, remember that one time where I figured out where a certain training camp was, and the government BOMBED IT without giving me credit?

Pico: That was the last administration.

PANEL 3

SWITCH POINT OF VIEW AND DRAW NIKE TWEAKING OUT IN HIS ROOM, SQUISHING A COYOTE STRESS TOY

Stoner Nike: AND REMEMBER THAT TIME I JUMPED ON THAT EXPLOSIVE FOR YOU, AND GOT ADDICTED TO PAIN PILLS?!?!?

Pico: Yes, Nike. You're calling in favors, and I'm ready. What do you need?

Stoner Nike: I NEED A MEETING WITH THE PRESIDENT AND HENNIFER ONDO's CONTACT INFO!!

Pico: 1st off, you have to tell me what this is about.

Stoner Nike: IT'S TOO COMPLICATED TO EXPLAIN!!

Pico: SECONDLY, what's Hennifer have to do with this?

Stoner Nike: SHE'S THE LEADING AUTHORITY ON NATURALLY OCCURRING MAGNETIC ANOMALIES.

PANEL 4

DRAW PICO STANDING UPRIGHT WALKING AROUND HIS DESK NOW

Pico: I'm not going to ask how you know I'm still in contact with her but Is it a case of national emergency?

Stoner Nike: IT'S NOT OVERSTATING IT TO SAY THAT THE FATE OF THE UNIVERSE COULD BE AT STAKE!!

Pico: Nike, I have to ask this. Are you drinking while also on some new allergy medication!

Pico: I TOOK A BIG BAG OF SHROOMS BUT THAT'S NOT THE POINT!

PANEL 5

DRAW PICO STANDING AGAINST THE WALL LIKE JOYCE DOES IN S3 OF STRANGER THINGS WHEN DUSTIN IS SINGING NEVER ENDING STORY

Pico: My brother in all that is holy, do you ha-

Stoner Nike: PICO, WHEN HAVE I EVER BEEN WRONG?!?!

Pico: You once sent me 20 pages of human erotica to my business email.

Stoner Nike: BUT WAS I EVER WRONG?!?!

Pico: Okay look. Let me set up a meeting with Hennifer and I'll-.. No, not now, wa-.. he hung up on me.. bastard

PANEL 6

SHOW STONER NIKE COMING INTO THE OFFICE ALL HOT AND BOTHERED

Stoner Nike: Did you call her?!

Pico: Yeah but Nike, listen, she wants me there with you to prove that this isn't a waste of her time.

Nike: Perfect, let's go.

Pico: We haven't caught up in a spell but in case you haven't noticed, I have a company to run.

Stoner Nike: Vulture Pareto created a principle that states 80% of the work in a company is done by 20% of the people. How much work do you actually do?

Pico: .. shut up.

Stoner Nike: Let's go!!

PAGE 3

DRAW PICO, HENNIFER(WHO IS A FEMALE CHICKEN) AND STONER NIKE IN A LABORATORY OF A GEOPHYSICIST

DRAW PICO STRESSING OUT AGAIN

Hennifer: Well, you came during the middle of a work day. And I know almost nothing gets you away from the office. Must be important. Where'd you find this guy?

Pico: Served with him. Had loads of potential but now he mostly just daydrinks and other not good stuff.

Nike: THAT'S THE POINT! WE ALL HAVE POTENTIAL! AND IM NOT TALKING ABOUT ALL OF US LIKE ME AND THE TWO OF YOU! I MEAN ME AND EVERY OTHER UNIVERSE THAT HAS ME IN IT! WHICH IS NOT ALL OF THEM ANYMORE! THE ONES THAT ARE LEFT!

Pico: You're talking multiple versions of yourself, each of them in their own universe?

PANEL 2

DRAW NIKE TALKING AT PICO WITH HENNIFER LOOKING ON AND CHIMING IN

Stoner Nike: YES. EACH NIKE HAS A SPECIFIC PUROPSE! AND MINE IS TO WARN EVERYONE ABOUT NOLEM AND THE CHAOS HES ABOUT TO BRING

Pico: And you want me to tell the president this?

Stoner Nike: HE CAN GET US ACCESS TO THE BETTY PROJECT LOCATIONS

Hennifer: How do you know about BETTY?

Stoner Nike: IT IS LITERALLY THE WORST KEPT SECRET IN THE MILITARY! MUTLIPL E BLOGS FOLLOW IT!

Pico: What's BETTY? Wait, you believe him?

PANEL 3

DRAW HENNIFER AND NIKE ANSWERING AT THE SAME TIME WHILE PICO LOOKS CONFUSED AF

Hennifer/NIKE: BIO ELECTROMAGNETIC TERRESTRIAL TORSION YIELDS.

Hennifer: And yes, multiple universes is a basic concept of quantum and theoretical physics.

Pico: I'd ask "what's betty?" again but I feel like I'll just get more stuff I don't understand

PANEL 4

DRAW NIKE LIKE HE JUST PROCESSED CERTAIN INFORMATION AND HENNIFER LIKE SHES NERVOUS AND TOTALLY GIVING AWAY THAT SHE WORKS FOR THE GOVT.

Stoner Nike: WAIT! You were surprised that I knew about BETTY. And what geophysicist wouldn't know about BETTY? SOMEONE WHO'S ACTUALLY OH MY GOD YOU WORK FOR THEM!!

Hennifer: Um.. no..

Stoner Nike: We don't need President Charles. WE HAVE YOU!!

PANEL 5

DRAW THEM ALL INTERACTING AGAIN

Hennifer: I actually haven't confirmed anything yet..

Stoner Niko: ORIGINALLY I WAS GOING TO ASK YOU TO TELL ME HOW TO SEND MESSAGES TO MY OTHER SELVES BUT YOU CAN JUST SEND THEM YOURSELF!

Pico: Hold on, you can send messages to other universes?

Stoner Nike: I SEE THEM ALL THE TIME, BUT I CAN ONLY VIEW, NOT INTERACT! THERE ARE THOUSANDS! IMPOSSIBLE FOR ME TO NAVIGATE BUT HENNIFER-

PANEL 6

DRAW HENNIFER GIVING IN THAT SHE IS WHO NIKE SUSPECTS

Hennifer: STOP! You mentioned someone named "Nolem" and how he can destroy our universe, but I've looked through many realities and I've never seen or heard of him

Stoner Nike: I didn't either, at first. THEN! I learned that there are beings LIKE CTHULHU!! Where only one of them exist across all realities.

Hennifer: You've seen Cthulhu?

Stoner Nike: HE SPOKE TO ME!

PAGE 4

DRAW HENNIFER ACTING SURPRISED AND PICO BEING CONFUSED

Hennifer: HE SPOKE TO YOU?!?!

Stoner Nike: YES! HE SAID THAT NOLEM WAS AN EVIL ENTITY THAT, AT HIS FULL STRENGTH, CAN ABSORB AND DESTROY ENTIRE REALITIES! BUT HE'S NOT STRONG ENOUGH YET! CURRENTLY HE CAN ONLY GO INTO REALITIES AND KILL AND ABSORB RANDOM PEOPLE IN THOSE REALITIES! SO-

Hennifer: Wait! That doesn't make sense. How does he know Nolem's full potential?

Stoner Nike: HE'S EONS OLD JUST LIKE CTHULHU!

Hennifer: And this JUST became a problem?

Stoner Nike: HE WAS DORMANT FOR A LONG TIME, AND AWOKE JUST RECENTLY!

PANEL 2

DRAW PICO CHIMING IN THIS TIME

Pico: I recognize I'm way out of my depth here but if this Nolem guy isn't that strong yet, can't Cthulhu just kill him?

Stoner Nike: HE COULD BUT NOLEM IS ESSENTIALLY IMMORTAL! KILL HIM AND HE JUST COMES BACK LIKE HE DID THIS TIME! BUTT!!! IF YOU CAN KEEP HIM FROM DOING WHAT HE'S DOING LONG ENOUGH, WE CAN FIGURE OUT A WAY TO TRAP HIM, IN HIS CURRENT WEAK FORM, HE'LL NEVER BE A UNIVERSAL THREAT!

Pico: And what's he currently doing?

Stoner Nike: TRYING TO KILL ME IN EVERY UNIVERSE!!

Pico: Why?

Stoner Nike: NO IDEA, BUT HE'S ALREADY DONE THIS TO AT LEAST ONE OTHER CREATURE

PANEL 3

DRAW HENNIFER ATTEMPTING TO GET TO THE VOTTOM OF THIS AND PICO BEING SKEPTICAL

Hennifer: Okay, just tell us everything he told you.

Stoner Nike: CTHULHU CAME FROM A UNIVERSE WHERE HUMANS ARE CALLED "BIPEDALS" WHERE ANIMALS ALL HAVE THEIR OWN PLANETS AND THERE'S A BIG WAR BREWING BETWEEN THEM! CTHULHU NOTICED THAT NOLEM HAS ABSOLUTELY MASSACRED ONE OF THE BEINGS HE MET THERE ACROSS THOUSANDS OF OTHER REALITIES. SO AFTER HE GAVE HER THE GIFT OF INTELLIGENCE-

Pico: The gift of intelligence?!?!

PANEL 4

DRAW HENNIFER BEING ANNOYED WITH PICO. DRAW STONER NIKE ANSWERING PICOS QUESTIONS

Hennifer: Quiet, I'm listening.

Stoner Nike: YES! EVERYONE IN DIFFERENT UNIVERSES STARTS OFF WITH THE SAME GENETICS AND HAS THE SAME BRAIN. BUTTT EACH TIME ONE OF THAT PERSON DIES, A FRACTION OF THEIR INTELLIGENCE DIES WITH THEM! THAT'S WHY PEOPLE TEND TO LOSE

IQ POINTS AS THEY GET OLDER.

Panel 5

DRAW HENNIFER COMING TO A SCIENTIFIC REALIZATION WHILE NIKE CONTINUES EXPLAINING

Hennifer: That also explains alzheimer's as well.

Stoner Nike: EXACTLY! CTHULHU RECOGNIZED THAT SQUILYA WAS DUMBER THAN SHE SHOULD BE! SO HE LOOKED THROUGH OTHER UNIVERSES AND SAW THAT NOLEM WAS ABOUT TO USE DARK FORCES CALLED RETNUHXED TO ATTACK HIS NEXT TARGET WHICH HAPPENS TO BE ME!

PAGE 5

DRAW PICO LOOKING LIKE HE'S DONE WITH THIS NONSENSE. ALSO DRAW BOTH HENNIFER AND NIKE ASKING HIM TO STAY

Pico: Okay, you two have fun with that. Call if you need me.

Hennifer/Stoner Nike: WAIT!

PANEL 2

DRAW NIKE AND HENNIFER LOOKING AT EACH OTHER CONFUSED WHY THEY BOTH SAID THE SAME THING. ALSO DRAW PICO LOOKING JUST SLIGHTLY ANNOYED

Pico: What?

Stoner Nike: I STILL MIGHT NEED A MEETING WITH THE PRESIDENT

Hennifer: I might need you to pay for something. Also, how do you know President Charles?

PANEL 3

DRAW PICO LIKE HES TIRED OF ANSWERING THE SAME OLD QUESTION

Pico: I don't. I know a guy that knows him. And he doesn't talk to him all the time. He meets with him maybe a few times per year. Also, you're other governments payroll now. Me paying for everything ended when we broke up.

PANEL 4

DRAW HENNIFER STALLING AND NIKE JUMPING IN

Hennifer: This seems different wouldn't you say? Besides, we don't want to lose anything again.

Stoner Nike: OH GOD A VOLUNTEER GOT LOST DIDN'T THEY?!?!

Hennifer: We sent a robot into a universe where the beings on the planet were very much behind in their evolutionary scale.

PANEL 5

DRAW PICO NOW TAKING AN INTEREST AND HENNIFER GOING TO A DOOR AND OPENING IT

Pico: Go on.

Hennifer: We sent it to what we thought was a world of quadruped cats. And.. well this happened

PANEL 6

DRAW HENNIFER HOLDING A WHITE CAT WEARING A COLLAR WITH THE NAME "SHIRO" ON THE TAG.

Hennifer: Here's the thing. We can only get the robot to travel when the planet, the anomaly, and the robot are in proper alignment. If misaligned the robot or anything else we try to send becomes permanently trapped in this strange reality that's unlike any other. Physics go out the window and any quadruped mice we send there seem to have this existential crisis where they just stare blankly into space.

PAGE 6

DRAW PICO LIKE ONE OF THOSE MICE AS HE STARES BLANKLY AT HENNIFER AND DRAW NIKE ASKING QUESTIONS

Stoner Nike: WAIT, WHAT HAPPENED TO THE ROBOT?!

Hennifer: We actually weren't supposed to send the robot. It got too expensive to keep sending mice, so funding dried up. Only reason we were able to send the robot was because we didn't need quantum inertial dampeners as there was no biological materials to send. And once we sent him, our controls were useless and we couldn't open a portal back to us.

PANEL 2

DRAW NIKE A BIT CONFUSED THIS TIME

Stoner Nike: Then how did the cat come back?

Hennifer: That's the thing. We don't know. He has a collar, so we think someone somewhere owns him. He didn't come in a machine, so his body should have been ripped to shreds. So either someone somewhere sent him, with better tech than we have, or this is a magical cat.

PANEL 3

DRAW PICO CHIMING IN ONE LAST TIME

Pico: And what exactly did you want me to pay for? What's the plan here?

PANEL 4

DRAW HENNIFER ANSWERING WHILE STROKING SHIRO

Hennifer: Those quantum inertia dampeners. We need to buy some from bear country.

Pico: How much are those?

Hennifer: Should be no more than 80 million Charles dollars?

PANEL 5

DRAW PICO FLABBERGASTED

Pico: Are you fucking kidding me?

Stoner Nike: I ALSO NEED TO ASK PRESIDENT CHARLES TO HAVE THE MILITARY READY FOR WHEN THE RETNUHXED GET HERE TRYING TO KILL ALL OF THE OTHER NIKE's I BRING HERE!

PANEL 6

DRAW PICO GIVING HENNIFER THE SIDE EYE

Pico: Absolutely not! Nike, I'm leaving my charlescard with you beavause I know you're not loose with other people's money. Buy what you need, tear up the card after, and then find somewhere else to do this.

Stoner Nike: I WON'T LET YOU DOWN!

PAGE 7

MONTAGE OF NIKE AND HENNIFER PREPARING FOR THE TRIP. SHIRO SITTING ON HENNIFERS DESK

DRAW HENNIFER AND NIKE IN THE LAB GOING OVER A CHECKLIST ON A WHITE BOARD

Hennifer: The anomaly mapping grid is important! Without that, you'll have to hope that Shiro can somehow bring you back.

Stoner Nike: I'LL BRING A BIG BAG OF SHROOMS AS A 3RD OPTION!

PANEL 2

DRAW THEM IN THE SAME POSITIONS EXCEPT THIS TIME SHIRO IS ON NIKES DESK. THIS TIME NIKE IS HIGH AS A KITE WITH A HALF EATEN BAG OF MUSHROOMS ON HIS DESK. DRAW 3 OTHER NIKES ON THE WHITEBOARD. NINJA NIKE, GLADIATOR NIKE, CYBER NIKE. AND HENNIFER IN THE MIDDLE OF DRSWING VIKING NIKE

Stoner Nike: THE LAST OF THE CHAMPIONS WILL BE VIKING NIKE! THEY'LL BE THE MAIN PROTECTORS OF OUR PROJECT!!

Hennifer: Okay, next move on to the scientists building this project!

PANEL 3

DRAW THEM ALL IN THE SAME POSITION EXCEPT SHIRO RESTING ON NIKES LAP. AND LESS MUSHROOMS IN THE BAG NOW. DIFFERENT DRSWINGS ON THE WHITEBOARD. ENGINEER NIKE, COMPUTER CODER NIKE, BOTANIST NIKE, AND HENNIFER IN THE MIDDLE OF DRAWING NUTRIONIST NIKE

Stoner Nike: AND NUTRITIONIST NIKE TO MAKE THE FLUID SO THE SUBJECT HAS ADEQUATE NUTRITION FOR THE DURATION OF THE PROJECT!!

Hennifer: After this is over, we need to destroy this research. This is getting too into eugenics for me.

Stoner Nike: EMBRACE YOUR INNER SCIENTIST! WE NEED THIS TO WORK!

PANEL 4

ALL IN THE SAME POSITION, EXCEPT SHIRO WHO IS ON NIKES SHOULDER. WHITE BOARD SHOWING A GIANT COLOSSEUM

Stoner Nike: GLADIATOR NIKES WORLD HAS THE HIGHEST PERCENTAGE OF FIGHTERS IN THEIR POPULATION!

Hennifer: Okay. Setting anomaly mapping grid to go there 1st so you can warn him not to freak out when a bunch of other Nike's start appearing there.

PANEL 5

DRAW STONER NIKE SITTING UPRIGHT AND STROKING SHIRO. AND HENNIFER LOOKING CONCERNED

Stoner Nike: I'm going to need 5548 vials though so I can collect the DNA of all of the Other Nike's.

Hennifer: That's a lot. Also you seem quite calm.

Stoner Nike: I guess Shiro calms me down.

PANEL 6

DRAW NIKE AND SHIRO IN THE FRONT SEAT OF WHAT LOOKS LIKE A CYBERTRUCK WITH THOUSANDS OF SPIT VIALS IN THE BACK SEAT AND HENNIFER STANDING OUTSIDE OF IT

Stoner Nike: Okay, Shiro. Engineer Nike 1st. Destination set. Alright, Shiro, let's get this bread!

PAGE 8

DRAW THEM LIKE A CAMERAMAN IS BEHIND THEM AND THEY'RE LOOKING OUTSIDE THE FRONT WINDOW AND EVERYTHING OUTSIDE LOOKS LIKE ITS CHANNEL 94 BACK IN THE 90S.

Stoner Nike: SHIRO, IS THIS WHAT YOU SAW WHEN YOU TRAVELED TO OUR UNIVERSE?!?!

Shiro: Mow.

Stoner Nike: I TAKE THAT AS A "No" AND WILL ASSUME THIS IS WAY DIFFERENT!!

PANEL 2

DRAW THEM ON A COLLEGE CAMPUS AND RIGHT IN FRONT OF THEIR VEHICLE IS ENGINEER NIKE. ENGINEER NIKE LOOKS LIKE THAT MEME WHERE THE ARAB GUY JOKES ABOUT GETTING "RANDOMLY SELECTED" AT THE AIRPORT

Stoner Nike: Holy crap, Shiro that worked! And.. there's me!

PANEL 3

DRAW THE TWO NIKES TALKING AND SHIRO WATCHING FROM THE DASHBOARD

Engineer Nike: I've seen you before.

Stoner Nike: Yes. Likely in a mirror. I'm you from a different universe.

Engineer Nike: No, I mean.. in my dreams. With that cat. And a chicken.

Stoner Nike: Yeah, long story. I need you to come with me. I'll explain everything!

PANEL 4

DRAW THEM IN THE CAR WITH SHIRO IN THE MIDDLE. THE SAME WEIRD THING ON THE OUTSIDE AS LAST TIME

Stoner Nike: And the Retnuhxed attacked your world by making so that females can no longer give birth?

Engineer Nike: Yes. Then Dr. Charles was the one who lobbied for govt funding so I could build my fetal chamber.

Stoner Nike: Okay, we need you to rebuild your chamber but make it so that it can accommodate a very large pig. Like us but much bigger. Us on steroids!

PANEL 5

DRAW THEM NOW ON THE COLOSSEUM WORLD WITH GLADIATOR NIKE STARING AT THEM LIKE A SURPRISED SHAQ MEME

Stoner Nike: NOW GO TAKE TWO OF THESE VIALS, EXPLAIN WHAT I SAID TO GLADIATOR NIKE, GET THE MATERIALS YOU NEED, FIND THE MOST EASILY DEFENSIBLE PLACE YOU CAN, SET UP SHOP THERE, AND LEAVE THE FUCKING CAT BECAUSE HE CALMS ME DOWN!!

PAGE 9

DRAW STONER NIKE AND SHIRO LANDING IN A WORLD FULL OF CHROME. DRAW A COMPUTER NERD NIKE WALKING WITH WHAT LOOKS LIKE A FLOATING MONOPOLY PIECE THAT LOOKS LIKE A COMPUTER. DRAW WHAT LOOKS LIKE SOUND VIBRATIONS GOING BACK AND FORTH BETWEEN THE TWO

Computer Coder Nike: You there. Do you not have a Charles interface chip installed?

PANEL 2

DRAW STONER NIKE GETTING OUT OF THE VEHICLE AND RETORTING WHILE THE FLYING COMPUTER THING MAKES SOUNDS AT COMPUTER NIKE

Stoner Nike: I don't know what that means but if you can't tell what just happened, I'm you from another universe.

Computer coder nike: Yeah, I see that. My complete Charles AI that you see floating above me transmits data to me or anyone that has Charles interface chip inside them. He just told me what you and another Nike talked about during your last trip.

Stoner Nike: Then you know you need to come with me.

Computer Coder nike: Actually I don't.

PANEL 3

DRAW STONER NIKE CONFUSED AND SHIRO SMILING FROM THE CAR

Stoner Nike: If he told you everything that's goin on, then you know what's at stake.

Computer coder nike: Yes. And just as your Charles telephone system can send messages to anyone else connected to it, my complete Charles AI and I can do the same.

Stoner Nike: This is the 3rd universe I've been to, and they all have Charles related stuff in it.

Computer Coder nike: The relationship between Charles and Nike differs in each reality. But in each one, we're somehow helped by him in one way or another.

PANEL 4

DRAW STONER NIKE LOOKING HELLA CURIOUS . AND SHIRO SHOWING BOOTY

Stoner Nike: How-

Computer Coder Nike: You're not the only one that looks at other realities.

Stoner Nike: Wow.

Computer coder Nike: Maybe after this is all over, you can create some like me.

PANEL 5

DRSW STONER NIKE BACK TO BEING CONFUSED. SHIRO ON HIS BAVK IN THE BACKGROUND NOW

Stoner Nike: So you know how this plays out? You wouldn't have said that unless you knew!

Computer coder nike: I've ran a few simulations. It's 50/50. Which is why I'm not going. If we fail, I can remain here and try again.

Stoner Nike: Wait. Is this.. ARE we.. Right now are we in a simulation?

Computer Nike: Simulations are run all the time in sports, war, weather conditions etc. Would make sense we're in one now.

PANEL 6

DRAW STONER NIKE BREATHING HEAVILY AND COMPUTER CODER NIKE ASKING HIM TO LEAVE

Computer coder Nike: Maybe that's a discussion for another time. Now take my complete Charles AI and head back to Shiro. Supposedly he calms you down.

Stoner Nike: YUP! THANKS! I'M GONNA GO GRAB UHH

Computer Coder Nike: Nutritionist Nike would be the best. Then Botanist Nike. Then the rest of the champions.

Stoner Nike: Yup! Definitely coming back here!!

Computer coder Nike: Looking forward to it

PAGE 10

DRAW STONER NIKE, COMPLETE CHARLES AI, AND SHIRO LANDING IN A GIANT PARKING LOT. NIGHT TIME. VERY DARK. BUT WE SEE A TH

Stoner Nike: That's strange. Every time we've gone to another reality, we landed right next to who we needed.

Shiro: Mow

Charles Complete AI: It Appears the Nike we seek is in some sort of Faraday cage that prevents us from being exactly where he is.

PANEL 2

DRAW A BUNCH OF PIGS WITH M-16'S RUSHING THE CAR AS STONER NIKE, SHIRO AND CHARLES AI GET OUT OF THE CAR.

Stoner Nike: HOLY LEFTOVERS WE MEAN NO HARM!!

PANEL 3

Stoner Nike: So tell me. Where are you from?

Ben: I'm Ben from the Charles security company.

Stoner Nike: Oh right the CSC. Great response time you guys had. Let's keep it quiet, okay?

Ben: Of course, sir.

PANEL 6

DRAW THEM GETTING TO A DOOR AND BEN LEAVING STONER NIKE

Ben: It was a pleasure, sir.

Stoner Nike: Take care

PAGE 11

DRAW STONER NIKE OPENING UP A DOOR TO FIND SHIRO AND NUTRITIONIST NIKE CHECKING EACH OTHER OUT. A BUNCH OF COMPUTER MONITORS IN FRONT OF THEM

Charles AI: You should sit on one of the desks in here.

Stoner Nike: What? No, I'm fine.

PANEL 2

PANEL 4

DRAW THE THREE OF THEM STANDING OVER NUTRITIONIST NIKE

Stoner Nike: You see an alternate reality version of yourself AND THE 1ST THING YOU DO IS TRY TO ELECTROCUTE ME?!?!

Nutritionist Nike: Sorry, thought you were one of them.

Stoner Nike: One of who?

Nutritionist Nike: EVIL bastard named Dexter Hun. He poisoned the food supply in this part of the world.

PANEL 5

DRAW THEM ALL WALKING BACK TO THE VEHICLE

Nutritionist Nike: Once I created the CHARLES fluid, which gave all necessary nutrients to any who consumed it, he started his assassination attempts.

Stoner Nike: Charles fluid?

Nutritionist Nike: Named after the greatest professor I ever had.

Stoner Nike: Of course.

Charles AI: Do you understand what we're asking you to do?

Nutritionist Nike: Yes. And as long as I receive help from you all afterwards to fix my world, I will do it happily.

Stoner Nike: It'd be my genuine pleasure.

PANEL 6

DRAW THEM ALL LANDING BACK ON COLOSSEUM WORLD, THIS TIME INSIDE A MASSIVE COLOSSEUM WITH A BUNCH OF GUARDS SURROUNDING THEM.

Stoner Nike: Okay guys, grab some spit vials and head to wherever the guards take you. Work on the project as best you can until I come back with Botanist Nike

PAGE 12

BOTANIST NIKE LOOKING AROUND AND LOOKING PROUD OF HIMSELF

Stoner Nike: Leaping Leptons, Shiro! Look at the size of this wheat!!

PANEL 2

DRAW STONER NIKE GETTING OUT OF THE CAR AND LOOKING AT A SLIGHTLY CONFUSED NIKE WHO LOOKS AS IF HE'S BITING HIS TONGUE

Stoner Nike: Hi, Nike. I'm Nike too. I'm you from another re- what are you doing?

PANEL 3

DRAW BOTANIST NIKE EXPLAINING WHAT HE WAS DOING

Botanist Nike: Sorry. I'm just sure I'm dreaming. Was biting my tongue to try to wake me up but.. maybe I'm in a coma

Stoner Nike: Definitely not in a coma. Although one of us has me convinced this is a simulation we're in and not real life but I can't test that yet.

Botanist Nike. Do you know what I just did?

Stoner Nike: Make a really huge wheat field?

Botanist: Do you know why?

Stoner Nike: Tell me in the vehicle.

PANEL 4

DRAW THEM IN THE VEHICLE AND BOTANIST NIKE EXPLAINING WHAT HE DID

Botanist Nike: This dumbass dictator named Dexter Hun put policies in place that incentivized monoculture farming and overusing the land because certain crops were more profitable. He didn't realize that after do many years you deplete the soils nutrients. So famine set in. It was my job to use growth patterns to accelerate the maturation period of plants.

Stoner Nike: Can you explain how you did it?

Botanist Nike: I bonded the FT proteins to activate the nucleus of the meristem cells.

PANEL 5

DRAW THEM IN THE COLOSSEUM PLANET WITH THE GUARDS GREETING THEM

Stoner Nike: Can you explain it to the rest of us down in the secret lab?

Botanist Nike: Are you sure this isn't a dream?

Stoner Nike: I don't know, I'm traveling the multiverse with an interdimensional cat, NONE OF THIS MAKES SENSE!

PAGE 13

DRAW ALL OF THE NIKES IN SOME BIG BASEMENT THAT'S BENEATH THE COLOSSEUM.

DRAW STONER NIKE AT THE WHITE BOARD

Stoner Nike: Okay, I'm glad you're all in one place. You all are the best minds that we as a Nike have to offer. Aside from gladiator Nike who is the muscle for right now. What we need to do is take all of your ideas that save your realities and combine them into one! And since I can't explain it as eloquently as I'd like, Charles AI who represents computer coder Nike, will do it for me!

PANEL 2

DRAW THE CHARLES AI AT THE BOARD

Charles AI: Nolem has sent his Retnuhxed forces to each of your own realities. Sometimes he showed up as Dexter Hun. Sometimes as something else. Within each of you is what's called a "pigment

shard". Basically your DNA. And now the Retnuhxed and Nolem are coming here. They won't be shy about who they hurt this time. No politics, no games. Just straight up brutality. And we need everyone. Together we'll make the perfect being!

PANEL 3

DRAW THEIR IDEAS ON THE BOARD

Charles AI: Engineering Nike's tank. In his reality it's used for females who can't give birth naturally. Sustained with an amniotic fluid replacement based on Perfluorooctyl Bromide that lasts just long enough to carry a fetus to term. We combine that with Nutritionist Nike's liquid that gives the subject endless amounts of nutrients. We need lots of it! Enough for a tank that can carry a fully grown Nike. Like us but bigger!

PANEL 4

DRAW CHARLES AI DRAWING ON THE BOARD

Charles AI: My job will be to ta keep Computer Coder Nike's codes and algorithms to make the tank more than just a chamber. It will accommodate several different energy sources. Nuclear, electricity, and the like. We'll be able to send all of the data and knowledge we have and download it into the perfect Nike we're growing.

PANEL 5

DRAW THE REACTIONS OF THE PIGS

Charles AI: This is where Botanist Nike's formulas come in! We'll work together so that we can grow a full grown Nike with all of the knowledge we have in just a few months. We just need the one who brought us all here to get the DNA of the rest of them, along with more champions to fight.

PANEL 6

DRAW STONER NIKE STANDING UP AND GRABBING SHIRO

Stoner Nike: I'm on it!

Charles AI: DNA samples 1st

Stoner Nike: Got it!

PANEL 4

DRAW NIKE HORRIFIED AND COVERED IN MUD. SHIRO NEXT TO HIM LAYING DOWN.

Stoner Nike: I thought gigolo Nike would be the same as ladies man Nike.. it was not.

Botanist Nike: Did you get the DNA?

Stoner Nike: Unfortunately. He gave so much. And.. the mud bath didn't help.. I FEEL SO DIRTY!!!

PANEL 5
